

A second attempt at a theme song for the WCRC 2017 General Council, this one with strong overtones of Bach to celebrate the meeting city of Leipzig and the 500th anniversary of the Reformation.

God of All Creation

God of all cre - a - tion; form us, Lord, once more.
Je - sus Christ trans - form us: graft - ed in - to you;
Ho - ly Spir - it, purge us with your ho - ly flame.

Breath in - to our be - ings; raise our dust - y souls.
branch - es of one vine, we flour - ish and take root.
Fill our hearts with pas - sion; loose our tongues for praise.

Move a - cross our wa - ters; void and cha - os stay.
Bear - ing fruit we al - so share your tree of pain
Pen - te - cost re - vealed it: faith that burned and blazed.

Fill us with your Sab - bath for the com - ing days.
and your res - ur - rec - tion in the com - ing days.
Ho - ly Spir - it fill us for the com - ing days.
