1. You can kiss anyone that you want to kiss,  
Em A  
Lick anyone that you want to lick.  
Bm F#m  
You can visit anyone that you really miss,  
G A  
But me, I'm staying home.

D F#m  
You can go anywhere you want to go  
Em A  
You can shake some hands and stand real close  
Bm F#m  
You can hug everybody that you've ever known  
G A D  
But me, I'm staying home.

F#m Bm  
*I'm staying home*  
G D  
*You could go out, but I don't advise it.*  
F#m Bm  
*I'm staying home.*  
G A D  
*Me, I'm staying home.*

F#m Bm  
*I'm staying home,*  
G D  
*The best way to fight a virus*  
F#m Bm  
*Is staying home.*  
G A D  
*Me, I'm staying home.*

2. You can fight the law, you can fight the man  
You can go to the bathroom and not wash your hands  
You can touch your eyeballs again and again  
And that's why I'm staying home.

You can be just as stupid as you want to be  
You can claim it's all a conspiracy  
But if you die don't you come crying to me  
Cause I am staying home.

*I'm staying home*  
*You could go out, but I don't advise it.*  
*I'm staying home.*  
*Me, I'm staying home.*

*I'm staying home,*  
*The best way to fight a virus*  
*Is staying home.*  
*Me, I'm staying home.*
